Dear "A" Group,

This year we will be hiring a two (2) additional Junior Guards from the 'A' group to work as Instructor Aides throughout the summer. We had great success and with Josh Pighetti last summer and we believe that Josh also had a great opportunity and time assisting as an Instructor Aide.

The position requires that you tryout and Interview as a City Beach Lifeguard and complete the 40 hour Lifeguard Academy. This Instructor Aide position is non-paying; however, you will be hired by the City and paid for the 40 hours of Lifeguard Academy and have the option of working for pay in a tower on weekends, holidays, and in the month of August. Becoming an aide is a great opportunity, especially if you are interested in becoming an instructor in the upcoming years, and you will be certified as an Ocean Lifeguard with CPR for the professional rescuer and standard First Aid.

If you are interested, applications are available online and at the Bathhouse. If you have any questions, please contact Rich Hanna at rhanna@santabarbaraca.gov.

Sincerely,

Rich Hanna
Senior Recreation Supervisor
